We have a wealth of facilities for you to take advantage of, such as our 18 hole championship golf course, luxury spa, gym, tennis courts, award-winning restaurants and comfortable public areas to relax in with 180° sea views. We are constantly striving to enhance our offerings and The Carlyon Bay Hotel continues to be ever-changing with our core focus always being the customer experience. Recognised in both the 2021 & 2022 Cornwall Tourism Awards, in a period where Cornwall has been in the spotlight, we scooped the gold award for Large Hotel of the Year. This was swiftly followed by achieving success in the same award for the entire South West; accolades we are immensely proud of.

Ali then returned to The Royal Duchy before joining The Carlyon Bay Hotel in January 2012 as Food & Beverage Manager, quickly strengthening the hotel by being promoted to Hotel Manager. Ali then became General Manager in 2018, working closely with the Directors and looking after both the Hotel & Golf Club.

MARTA SUPRANOWICZ | Deputy Manager

Joining in 2005 within the hotel's Restaurant team, Marta quickly worked her way up to Restaurant Supervisor before joining the Management team in 2008. As well as being one of the hotel's principal wedding coordinators, Marta became Deputy Manager in September 2016 working alongside Ali Ennaji to ensure the continuing warm welcome yet professional standards you see at The Carlyon Bay Hotel. Guests are always greeted in a friendly, smiley and helpful way.

A WALK THROUGH
HISTORY

WITH A WEALTH OF HISTORY TO SHARE, DELVE INTO THE STORY OF THE CARLYON BAY HOTEL AND DISCOVER ITS DIVERSE ORIGIN STORY RIGHT UP TO THE PRESENT DAY

Built in 1925, this was the first hotel at Carlyon Bay and was originally called the St Austell Bay Hotel. The hotel quickly became a fashionable choice with movie stars and celebrities and was frequented by a famous Royal visitor, Edward, Prince of Wales, and his future wife, Mrs Wallis Simpson.

In 1982, the Carlyon Bay Hotel became part of the Brend Collection and since then, the Brend family have continually invested in improving the facilities at both the hotel and at its fine championship golf course.

Modifications were made to our spa and gym facilities to advance the relaxation guests can discover, adding a new sense of renewal for them and our hotel.

Brend Hotels were delighted to receive the 'Hotel Group of the Year 2015-2016', a huge honour for the whole of Brend Hotels who have been a leader in West Country hospitality for over 50 years.

The start of 2020 saw the hit of Coronavirus, leading to the forced closure of not only The Carlyon Bay, but all 11 Brend Hotels. The pandemic hit the business in more than one way but the hard work and dedication of our teams has seen the hotel flourish, even during these ever challenging times.

G7 happens in June 2021. We host Marine 1 and Duke & Duchess of Cambridge.

November 2022 we celebrated 40 years of being part of the Brend Collection and retaining the gold award in Cornwall Tourism.

1925 1931 1940s 1953 1982 2008 2014 2015 2019 2020 2021 2022

The building suffered a devastating fire in 1931. Locals who rushed to the scene to help were met with the sight of furniture being frantically thrown from the windows to save it from the flames.

Sir Winston Churchill stayed at the hotel with his wife Clementine in 1953.

During the war years, two boys' schools from Canterbury, The Kings' School and St Edmund's, were evacuated to the hotel to escape the Blitz. In March 1944, General Montgomery came to the hotel to inspect the schools' cadet force.

In 2014 our Bay View Restaurant was refurbished and in 2015 was awarded an AA Rosette of culinary excellence, an award which the team are immensely proud of.

The expansion of the clubhouse doubled the size of the Golf Club allowing an additional dining option for guests.

Winner of the 2019 Best for Families, helped shine a spotlight on The Carlyon being suitable for all ages which as a family-run business was a core value of ours and something we're extremely proud of.

Gold winners of both SW Tourism & Cornwall Tourism 2020/21

The transformation of the Terrace Lounge and Bar areas allowed us to freshen up our look whilst in keeping with our Art Deco decor. Incorporating the extension of our Terrace enhancing views across St Austell Bay as well as the refurbishment of two bars at either end of our lounge allowing a modern essence.

In early 2022 our brasserie had a revamp and was inspired by a whole new concept and so Taste of Cornwall was born. See pages 36/37 for more information.

WALK AMONGST THE GREATS
 WITH OUR HALL OF FAME

A historic landmark at the Carlyon Bay paying homage to Royalty, musicians, actors and many more public figures, who have made the hotel their home away from home for a small fraction of time.

We encourage you to take a few moments to gaze upon the photographs, displaying familiar faces from Elton John, Amy Winehouse, Cliff Richard and Paul Walker to Prince Charles and Princess Diana of Wales and the Duke and Duchess of Cambridge. Amongst the faces, you instantly recognise, take a step closer and a few may just take you by surprise.

A particularly fond moment from the past of the Carlyon Bay is the moment Joanna Brend met Blondie, whom she clicked with instantly (pictured to the right).

The hall of fame is a true testament that The Carlyon Bay can be an oasis for anyone looking to get away from everyday life for just a few moments of time.

Just a stone's throw away you'll stumble across Crinnis, Shorthorn and Polgaver beaches, more commonly referred to as Carlyon Bay Beach. Individually these beaches offer a base for building sandcastles, lounging in the sun and an array of watersports - together they create an impressive

stretch of unbroken coastline which welcomes the South West Coast Path winding its way up high on the cliff tops.

If a quieter cove is what you seek, our private beach might offer the perfect ratio of land to sea for you to escape. Speak with a member of reception and they can organise a buggy ride along the clifftops through our championship golf course where our beach can be seen from a birdseye view.

Venture beyond and you'll have an endless list of beaches to discover, from Charlestown, Porthpean, Pentewan and Polstreath beach to name a few. For those looking for a more energetic way to spend the day, explore undiscovered coves by kayak, stand amongst the waves on a paddleboard or take to the sea on a jet ski and gain a unique perspective of the world beyond with Cornwall Waverunner Safaris.
