CARLYON BAY HOTEL
GOLF CLUB

“The Carlyon Bay is up there with the best of them - great food, impeccable service, interesting history and an amazing staff-to-guest ratio. The golf course is also superb - think Pebble Beach in California and just swap the Atlantic for the Pacific.”

Dave, November 2022

THE COURSE

At the Carlyon Bay Golf Club, you will find 6,500 yards of challenging yet hugely enjoyable golf. The Par 72 course is the most stunning cliff top golf course in Cornwall and one of the most spectacular championship golf courses to be found anywhere.

With the first ten holes right on the cliff top and many of the 18 holes having breathtaking views across St Austell Bay, this must be one of the best maintained golf courses in Cornwall and our immaculate greens are in pristine condition throughout the year.

CARLYON SUITE & CLUBHOUSE BAR

Setting new standards for golf clubs in Cornwall, enjoy spectacular views and a friendly ambience here at the Carlyon Bay.

The Carlyon Suite & Clubhouse Bar makes the perfect finale to a round of golf or an equally great place to start for any societies and groups.

Relax, enjoy a coffee or freshly prepared meal anytime from breakfast to evening. Debate those putts that should have been whilst enjoying the tranquillity of St Austell Bay. We think our Clubhouse has one of the finest settings of any golf club in Cornwall.
